Section	Detail	Placement	Update
Care	Care instructions must begin with Wash before Wear		
Care	VENDOR IS SOLELY RESPONSIBLE FOR COMPLIANCE WITH CARE LABELING REGULATIONS AND GUIDANCE – If appropriate for the product, Target prefers that owned brand products use the following care labeling instructions – “Machine Wash-Tumble Dry”. VENDOR provides settings per FTC Reg + Bleach/Iron. See http://www.ftc.gov/bcp/edu/pubs/business/textile/bus50.shtm or www.ftc.gov/bcp/edu/pubs/business/textile/bus21.shtm . If product's care labeling deviates from “machine wash tumble dry”, VENDOR must contact Target TD		
Other Details	Childrens apparel - Please reference POL for childrens safety guide		
Other Details	Please begin pattern work with appropriate Target Sloper (available to download on Partners OnLine). Also reference grade rules, if available.		
Other Details	Review Garment Standards and A&A Construction Guides from POL specific to division, fabrication and silhouette. For all children's garments, contact 3rd party lab for latest version of requirements.		
Other Details	Please contact the G TD located on POL Softlines Product Dev Communication Contacts that is closest to your sample room for any questions on this style		
Other Details	Vendor is responsible to ensure all label placements meet FTC and custom requirements.		
Expression of Fit	Worn over diaper for sizes 0/3mos - 24mos, over pull-up for size 3T, and over mannequin for sizes 4T-5T.		
Binding	Clean finish, top and bottom		
Packing Instructions	Cost as Hanging Garment, commit will over ride		
Other Details	12M & 18M ONLY: Ships with PANTY - refer to PID 507296 (woven) or 517289 (knit) for panty fit, construction and trims. Materials and Impressions for panty will still exist within dress/skirt PID.		
Other Details	Shirring - fullness to be evenly distributed at CB yoke seam w/ 2.5 to 1 shirring ratio		
Pressing Requirements	Do not Hard Press		
SPI	12,+2/-1 (Topstitching/Seam)		
Seams/Topstitch	301 Lockstitch, all topstitching unless otherwise specified and all kinds of tacking		
Seams/Topstitch	602 2 needle 4 thread coverstitch, 1/8"gg at neck, A/H binding and bottom hem		
Seams/Topstitch	514, Double Needle Overlock 2 needle, 4 thread overlock

Care Label Responsibility

IMPORTANT: Target may furnish, specify or adopt product specifications, performance standards, drawings, product claims, instructions, descriptions and/or other information related to the goods you sell to Target (the "Specifications"). Regardless of the Specifications, **VENDOR IS RESPONSIBLE** for: (1) product and packaging safety; (2) compliance with all applicable laws, rules, regulations, standards, codes, orders, directives, judicial and administrative decisions, and ordinances, of the country of origin, the country of transit, the United States and Canada, any state, province, or other subdivision thereof, and any agency or entity of the foregoing, including all laws relating to packaging and labeling (the "Laws"); (3) accuracy and substantiation of all product and packaging claims; (4) evaluating the necessity for, and creation of, product warnings; (5) providing products and packaging to Target that do not infringe the proprietary rights of any third party; and (6) compliance with all terms set forth on Target's Partners Online system and/or any other system used by Target. In addition, each vendor's products and packaging must comply with any specifications furnished, specified or adopted by Target. If a vendor believes there to be a conflict between Target's specifications and product safety, Laws, or the intellectual property rights of others, the vendor must contact Target promptly to discuss Target's specifications and ensure product safety and compliance with Laws. Vendors are **NOT** relieved from any obligations or liability for any reason or because of any action by Target or any third party including, but not limited to, any of the following: (a) the vendor has received a satisfactory lab test result, (b) Target has conducted testing, (c) Target has accepted or approved the vendor's product, designs, claims, materials or packaging, (d) Target has reviewed claim substantiation, and/or (e) Target has authorized an override of testing protocol or testing results. Target reserves the right to amend its testing protocols and packaging production guides at any time. No subsequent or prior communication between Target and a vendor may operate to modify the obligations set forth in this paragraph, unless specifically agreed to in a writing signed by a Target Vice President or Senior Vice President.
